Dear Mr. Oropallo, et al

Your gracious sentiments are not necessary, but greatly appreciated! I have copied other members of EPA Region 2 who are a part of the team effort that enabled us to provide information to the Town Planning Board in time for yesterday's Public Meeting. Again, thank you for your kind sentiments. We are also committed to and proud of providing quality public service in furtherance of the Agency's mission!

We look forward to the Club obtaining the necessary approvals and permits to relocate the shooting range, and discussing how the Club can consider providing additional public participation in finalizing the Environmental Stewardship Plan.

Best regards,

Melva J. Hayden

Good Morning Ms. Hayden,

I want to personally thank you (and your team) for your time and effort in responding to my last minute communications and in transmitting the letter to the Town of Lansing yesterday evening. Your actions go above and beyond your job description. It is people like you, working for our great country, that make me proud to call myself an American.

Thanks again.

Mike

Subject: I/M/O Lansing Rod and Gun Club Docket No. RCRA-02-2016-7301 EPA Letter to the Lansing Town Board

Dear Mr. Ellis, et al

This email communication is sent pursuant to my telephone conversation held earlier today with Mr. Michael Long, the Lansing Town Planning Consultant. I informed Mr. Long that the due to short notice the U.S. Environmental Protection Agency - Region 2 (EPA) is unable to send a representative to attend the Lansing Town Board Public Meeting that will be held tonight at 6:30 PM to consider the Application for Approval of the Lansing Rod and Gun Club's Trap Fields/Shooting Range.

EPA Region 2, therefore, instead is submitting the attached letter to you and the Board to provide background information with regard to EPA Region 2's involvement with the Applicant, the Lansing Rod and Gun Club, that we hope will be of assistance to the Board in this process. Mr. Michael A. Oropallo, Esq., the attorney for the Applicant, Lansing Rod and Gun Club, has also been copied on this communication.

Please be further advised that I attempted to contact Mr. Guy Krogh, Esq., the Town's Attorney, to obtain his email address and provide him with a copy of EPA's letter. However, I received no answer and instead left a voice mail message.

Should you, the Town Board, or your attorney, require any additional information, please have Mr. Long contact Mr. Derval Thomas (in the absence of Mr. Edward Guster, the case manager for the Lansing Rod and Gun Club matter, who is currently detailed to P.R. to assist with EPA's hurricane response there), at (212) 6373577, or via email at Thomas.derval@epa.gov, or me, Melva J. Hayden, Esq., the attorney handling the Lansing Rod and Gun Club matter for EPA. I can be reached at (212) 637-3230, or via email at hayden.melva@epa.gov. Thank you kindly.

Sincerely,

Melva J. Hayden
